

# Second Workshop on Dynamic Econometrics in Memory of Carlo Giannini

Brescia, February, 24th, 2006.

The Department of Economics of the University of Brescia and the Associazione Carlo Giannini jointly organise an econometric workshop dedicated to the memory of Carlo Giannini (1948-2004).

This year workshop will be on “**Frontiers of Econometric Forecasting**” and it will take place at the Facoltà di Economia , Università di Brescia, on June, 9<sup>th</sup> , 2006.

The workshop will be opened by an invited lecture by Professor Fabio Canova (University Pompeu Fabra and CEPR).

The researchers interested in presenting a paper are invited to submit it electronically to the address

[associazione.giannini@eco.unipv.it](mailto:associazione.giannini@eco.unipv.it)

**by March 31<sup>st</sup> 2006.**

All accepted papers will be assigned a discussant. Final decisions concerning the programme will be communicated by April 21<sup>st</sup> 2006, and the information concerning the schedule and the organisation of the workshop will be posted on the website of the Associazione Carlo Giannini.

The Scientific committee is composed by Gianni Amisano (Università di Brescia), Rocco Mosconi (Politecnico di Milano), Eduardo Rossi (Università di Pavia), Giovanni Urga (Cass Business University, Londra) .
