Getting around LYON
TOP 5 THINGS TO DO
1. Stroll through the Zoo and Botanical garden of the Parc de la Tête d’Or

It’s the largest urban park in France, and it’s really worth enjoying. It also features a very nice Zoo and a botanical garden, including a more than one rose garden.
2. Climb to Fourvière and enjoy the view

You can see it from wherever you are in the city: Lyon is dominated by an impressive white church, the Basilica Notre-Dame de Fourvière, and a golden statue of Mary. Once up there, the view over the city is simply amazing.
3. Sightseeing: painted walls, Art and *Traboules*

Lyon is quite famous for its *trompe-l’oeils*, or painted walls. Our favorite is the *Fresque des Lyonnais*, a whole building where the most famous *Lyonnais* are represented.
4. La fête des lumières

Now, if you happen to be in Lyon around December 8, you cannot miss la Fête des Lumières, the lights festival, where about 2 millions people wander the streets of the city at night to take in all the artful installations of lights. Everybody will tell you what it’s about, and we can tell you that it’s unmissable.
5. Taste the traditional cuisine of a typical “bouchon” at Vieux Lyon.

Well, when coming to Lyon, it is obligatory to have a bouchon experience! These are typical bistro restaurant which you can find only in Lyon. They are very popular, they serve very good traditional meals, they have to be experienced.
